A MESSAGE FROM YOUR REGION II DIRECTORS

SERVING THE GREAT STATES OF DELAWARE, MARYLAND, NEW JERSEY, PENNSYLVANIA, VIRGINIA AND WEST VIRGINIA

Please follow us on Facebook: IIMC Region 2 for the latest news and updates. We love to celebrate our new monthly memberships and send out celebratory congratulations to those newly certified CMCs and MMCs.

AUGUST 2019

Happy Almost End of Summer! I hope you are all finding ways to keep cool, as it has been a hot one this year. First, I want to thank the Birmingham City Clerk Lee Frazier and his Alabama Team for hosting such a terrific conference in Birmingham this past May. I was so excited and proud to see the great turnout from Region II. We had clerks from each of our states including West Virginia and Pennsylvania! YAY! We are all thrilled to have both states actively participating again.

Wasn’t it amazing to see almost 1,000 Clerks come together from around the world to learn, network and meet new associates? As you know, planning is already underway for IIMC’s 74th Annual Conference in St. Louis, Missouri next May so make sure you mark your calendars. Watch your email for some exciting updates from IIMC regarding those details.

I have to tell you, as I was waiting to take the Oath of Office as a Region Director on Wednesday morning, I began to reflect on the Region II Directors that preceded me. Under their strong leadership, our Region has really flourished in membership and certifications. I am so proud of those who worked so hard (many of whom were completing their requirements at the Birmingham conference) and have since been rewarded with their CMC or MMC.

Great job Region II!
Over the course of the week in Birmingham I have already learned so many new things about IIMC. Chris Shalby keeps the Board updated on a weekly basis and I am always anxious to receive his emails. I just cannot thank you enough for allowing me to be your representative on the Board. There are so many people that have encouraged me over the years and I just felt it was time. First, I want to send a huge thank-you to Doug Barber for his extraordinary service to IIMC and Region II. Doug you did a great job and be prepared, I will continue to call on you for help and support! I also want to thank Diane for taking me under her wing. Though she has only been on the board a short time, she comes with a great deal of wisdom and from a very experienced and inspirational team in New Jersey.

And I have to give a shout out to Vinny Buttiglieri of Ocean Township, NJ, Region II’s very own former IIMC President. Vinny and I were in many of the same sessions over the years and it was a pleasure watching him move up through the ranks. He has done a lot for IIMC, and most recently becoming Chair of the newly created Development Committee. And I cannot forget the work done by Drew Pavlica of Garfield, NJ and Kim Rau of Laurel, MD. I could continue to comment on other directors, State Officers and other Clerks and sincerely apologize if I have left someone out, but each of you has played a tremendous part in both my professional and personal life over the past two decades. I have so much respect for each you. I can only pray that this board will continue to
live up to the reputation my former predecessors have established. I have a pretty good feeling it will survive under the leadership of our new President Lana McPherson of DeSoto, Kansas. If you have not had the pleasure of meeting Lana, to give you an idea of her enthusiasm and passion, her theme this year is “BE THE ONE!” That was the result of her familiarity with our members’ knowledge, expertise, talent, and abilities. President McPherson’s goal is that each of us ‘be the one’ that takes that first step and offers the first handshake of welcome and friendship to a new Clerk! Let’s take that challenge!

I also think it’s important to commend IIMC’s Immediate Past President Stephanie Carouthers Kelly of gorgeous Charlotte, North Carolina for her many years of active service. She gave such an emotional farewell speech. Not sure there was a dry eye in the house as she talked about how her life will change once she settles back into a new ‘norm’ without her husband Charles, whom she lost just a few months prior to being sworn in as IIMC President in May 2018. We’ll keep her in our thoughts and prayers.

On a sad note, I have to mention the difficult times our Virginia Clerks have had following the tragedy on May 31st. As you all know, Virginia Beach, Virginia lost twelve coworkers in a heinous workplace violence incident. It is impossible to fathom the sense of loss and grief these employees continue to experience. While many of us have trained in some form for workplace violence, I don’t think anything can prepare someone for losing their fellow employees in the course of what you think is a normal day.

The City Clerk in Virginia Beach is Amanda Barnes and even though you may not know her, I’m sure she would still appreciate you emailing (abarnes@vbgov.com) her a kind word or inspirational thought even though the event occurred two months ago. I hope they are healing and are not still reliving that moment, though we know it’s going to be a long road. We will continue to keep Amanda, her staff and all the Virginia Clerks in our prayers as well.

Let me take a moment to mention my Deputy Clerk Christine Crouch. Many of you know Christine because she, like me, has been fortunate to attend many Region and International Conferences. She is the current President of my very own Delaware Municipal Clerks.

As I begin this three-year journey, Christine has promised to keep things running smoothly in Milford when I am out of the office or tied up with IIMC business. I know she will work diligently to serve our citizens, staff and Council with the utmost confidence. Thank you from the bottom of my heart—my little ‘mini me’.

I’m deeply humbled to serve as your Region II Director and pledge to do my absolute best. Please contact me with your questions, issues or concerns because as I have said from the beginning of this journey, this is not about me, IIMC is your organization and I am only here to serve you!

Look forward to seeing everyone in New Jersey in January!

Stay safe!

DE - In 1880, Thomas Edison was a judge in the first ever bathing beauty pageant in which contestants competed for the title of “Miss United States” in Rehoboth Beach as a way to attract business during its summer festival.

WV - Underneath the Greenbrier Resort at White Sulphur Springs is a two-story bunker designed to house the entire United States Congress and support staff for 40 days in the event of a nuclear attack.
I sure hope that everyone has enjoyed a beautiful and relaxing summer. Yes we have had a few episodes of extreme weather, but we in Region II have been fortunate and for the most part enjoyed beautiful sunny days.

Region II is so very happy to welcome Terri Hudson, Delaware, as our new Region II Director. She brings much energy and networking to represent you. As your outgoing Director, we want to thank Doug Barber, Maryland, for his dedication and expertise that he so graciously shared with Region II. On a personal note, congratulations Doug on achieving your MMC. These two individuals are dedicated and strong members that you are most fortunate to represent you in Region II.

The Board is meeting and will continue this discussion at their mid-year meeting in November.

Saturday, 18 May was the annual board meeting. The Board accepted non-action committee reports and approved recommendations from the Budget and Planning and Public Relations/Marketing Committees to adopt policies on Conflict of Interest; Liquidity and Availability; and, Operating Reserves Public Relations/Marketing. It was also noted that Region X, Canada has expanded its IIMC membership. It was agreed to focus on Calgary (Canada) for the 2024 Annual Conference.

IIMC is doing well!
