The Women

Athenian Facilitator

Jannette Goodall - TRMC
City Secretary
City of Fort Worth

To receive credit a learning assessment must be completed

The Women is the story of one woman gone to war, but it shines a light on all women who put themselves in harm's way and whose sacrifice and commitment to their country has too often been forgotten. A novel about deep friendships and bold patriotism, The Women is a richly drawn story with a memorable heroine whose idealism and courage under fire will come to define an era.
