

2021 MASTER MUNICIPAL CLERK & CLERK OF THE BOARD VIRTUAL ACADEMY

One registration price covers all 18 educational hours and all Academy materials. Registration is \$540. The Academy is spread out over a three-month period and you must attend all instructional hours and meet all other requirements for a certificate of completion.

Curriculum and Course schedule

The in-person Academy offers a unique experience for the first session of each Academy, and this virtual Academy will be no different. If this is your first time attending the MMCA, you will be required to attend the 1st year session; if this is your second time attending, you are required to attend the 2nd year session; and if you have attended three or more times, you are required to attend the Advanced session.

All other sessions are for the entire learning community and full attendance at all of them is required for successful completion. You must complete all 18 hours of session time, fully participate, and complete a Learning Assessment to receive a certificate of completion. No certificates will be issued for partial credit or partial hours. No exceptions.

As with the in-person Academy, sessions being offered include a focus on professional, management and leadership concepts and skills. You will get a little bit of each during your virtual Academy experience. As this is a virtual Academy, there will be no course choice option available (that will resume for the in-person Academy). There may be pre-work requirements for some sessions. See the curriculum section of the website for details on each session.

Note: You must complete your level's intro session and the four common sessions to receive a certificate of completion. Please mark your calendars for all five of your sessions now. Session requirements are on the other side of this flyer.

Registration closes June 11 at 5 p.m. (or earlier if capacity is reached)
