### DIRECTIONS FOR USE:

Before printing, go to the "File" tab at top of screen, click "Print" then click the "Properties" button to the right, make sure paper size is set to "Tabloid 11 x 17" and click "OK." Next, go down to the button that says, "Page Scaling" and drop down to "Fit to Printable Area" then at bottom click, "OK." Cut around dashed line and then cut out the gray box in the middle. Next, facing outward, hold selfie frame in front of your face then call in the paparazzi!
