## **Certified Municipal Clerk (CMC) Program**

The CMC program is designed to enhance the job performance of the Clerk in small and large municipalities. To earn the CMC designation, a Municipal Clerk must attend extensive education programs. The CMC designation also requires pertinent experience in a municipality. The CMC program prepares the applicants to meet the challenges of the complex role of the Municipal Clerk by providing them with quality education in partnership with institutions of higher learning, as well as State / Provincial / National Associations. The CMC program has been assisting clerks to excel since 1970.

## **Master Municipal Clerk (MMC) Program**

The MMC program is an advanced continuing education program that prepares participants to perform complex municipal duties. The program has an extensive and rigorous educational component and a professional and social contribution component. The MMC applicant must demonstrate that they have actively pursued education and professional activities.
